When returning

Forward an electronic voucher with the value of my purchase

If you have paid with credit card the amount is returned to your card by default.

Please note that if you have paid using Paypal we will ask for your IBAN and SWIFT numbers to your bank account since our shop solution does not support return via Paypal. Also note that subjective to time of receiving a claim we will also ask you're your bank account number to return the amount as there is a limit to the time slot that TELLER allows the return to your credit card.
